As the season started, the Varsity girls faced the opposition with a winning attitude, but as the season progressed, and losses were taking the place of wins, the Lady Trojans seemed to lose their will to win.

The Junior Varsity, however, had a much better record, 9-3. Those who will be moving up to play Varsity Volleyball, will undoubtedly give their opponents a very good game.

"The cheerleaders have shown great accomplishments throughout this school year. They were chosen to compete in the District Championship at UCA Summer Cheerleading Camp. Then later in the season they were chosen Best Cheerleading Squad at the SIC Invitational Tournament.

These awards don't come easy. It takes a lot of discipline, hard work, and dedication on each individual's part. It also takes working together, sharing ideas, and cooperation.

I feel the cheerleaders have shown an abundant amount of pride, spirit, and the love of cheerleading."

"Heaven Called"

A meeting was held quite far away
It's time again to send today;
An angel from God's throne above
To bring on home — one dearly loved
Hearts will be sad — and tears will fall,
And only the father understands, when Heaven
calls!

Family, teacher, schoolmates and friends
Will miss this one — for whom God sends.
The young are needed in this life,
To bring joy and happiness — instead of strife,
But Keith was one — who was sensitive to all,
And His hearing was sharp — when Heaven
called!

USHERS: Mike Ozment, Elizabeth Logsdon, Teri Stricklin, and Steve Doughty.

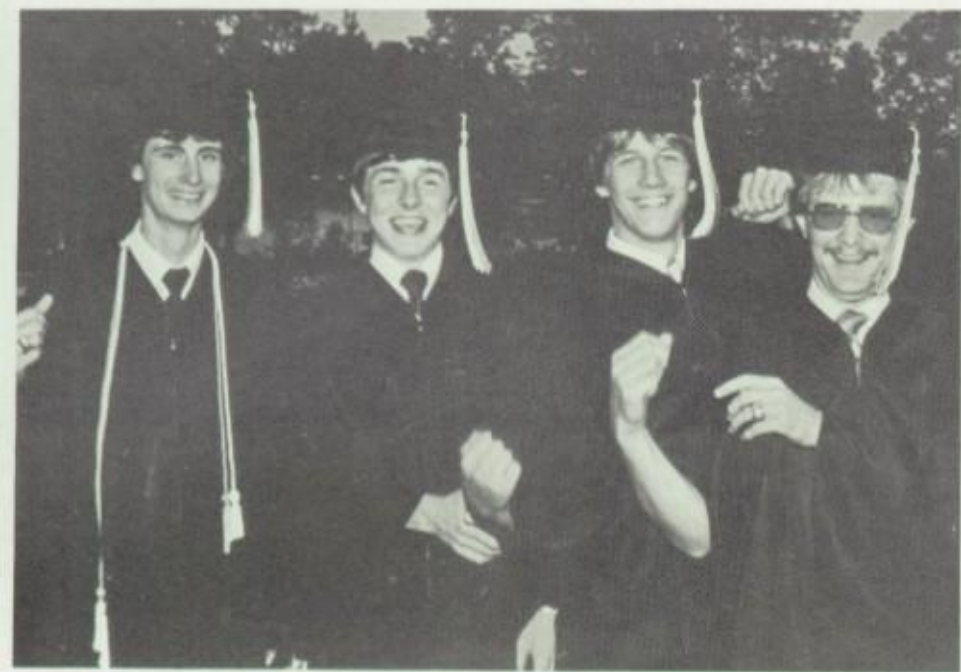

PIANISTS: Beth Morris, and Peggy Nevious.

Speaker Rev. Mike Sanders

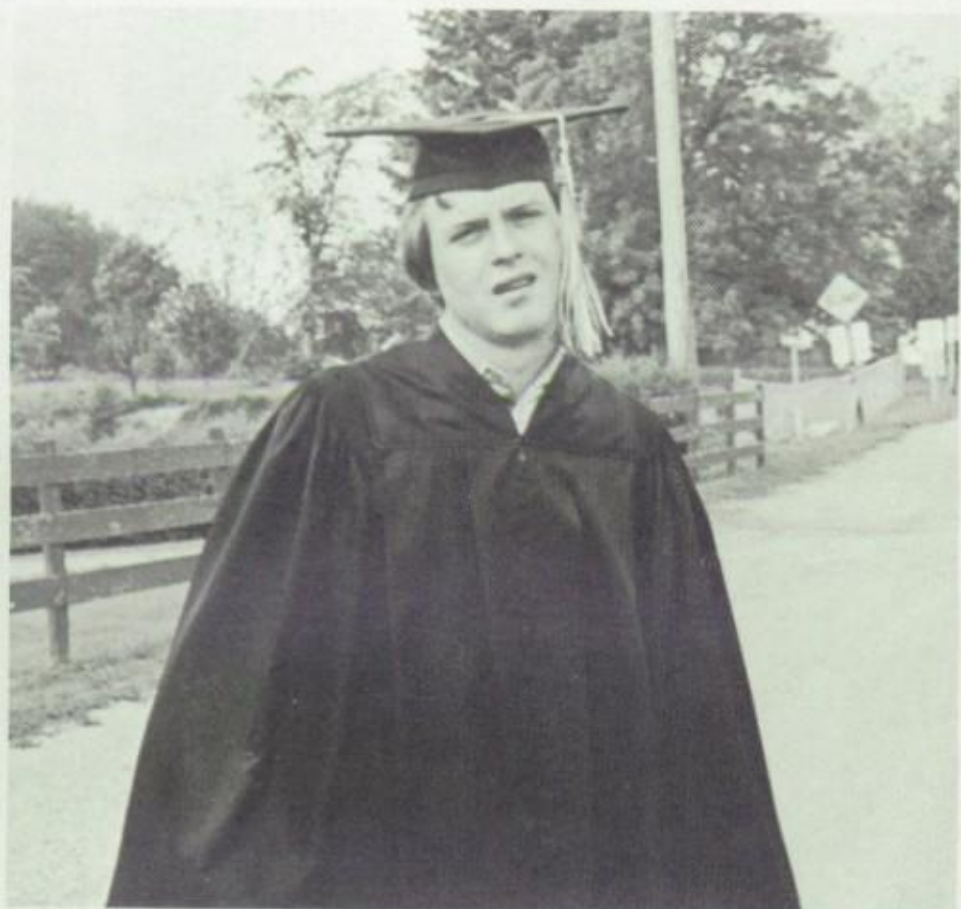

The Four Muscle-teers

"They don't call me Gumby for nothin' "

"Justa Swangin' "

"Aw Mom! Do I have to?"

Look out world: Here come the space queens!!

"Graduating . . . and I still need help getting dressed."

"You did good, kid."

As we move from our fourth year of high school to our future, we will always look back on Crab Orchard High remembering all the good times we had.

Our years of high school will always be treasured. We suffered through our four years of required classes, worked hard for 16 credits, and had fun representing our now Alma Mater, Crab Orchard High.

Looking back over our Senior year, how can we forget winning the class tournaments, the prom, and nervousness at graduation. Remember the fun we had on our trip to Six Flags, tug of war in the mud, and going to the drive-in.

We've said our last good-byes to the friends we've grown to love, and now we're moving on from C.O.H.S. to the adult world, and we'll all go our separate ways. Some will go far and some near, depending on college, marriage, work, or whatever else we have planned. Yes, our high school days are over; however, this is not the end but a beginning. The Class of '83 will always stand out in the world.
